

## **204.7 QUORUM FOR BOARD MEETINGS**

Action by the board regarding the affairs of the school district may be taken only when a quorum, a majority of the board members, is in attendance at the board meeting. While in-person participation is encouraged, board members may attend meetings either in person or electronically provided each member can hear and be heard in real-time by all members present and the public.

While board members are encouraged to attend board meetings, four (4) members will constitute a quorum and are a sufficient number to transact the business of the school corporation. The adjournment of a meeting may be executed without a quorum.

An affirmative vote of a majority of the votes cast is sufficient to pass a motion or take action unless the law or board policy requires a vote of a greater number.

It is the responsibility of each board member to attend board meetings.
