

**404.10 PUBLICATION OR CREATION OF MATERIALS**

Materials created by licensed employees and the financial gain there from are the property of the school district if school materials and time were used in their creation and/or such materials were created in the scope of the licensed employee's employment. The licensed employee must seek prior written approval of the superintendent concerning such activities.

LEG REF: 17 U.S.C. § 101 et al.  
Iowa Code § 279.8.
