

404.7 PROBATIONARY STATUS

The first three years of a new licensed employee's contract is a probationary period unless the employee has already successfully completed the probationary period in an Iowa school district. New employees who have successfully completed a probationary period in a previous Iowa school district will serve a one year probationary period. For purposes of this policy, an employee will have met the requirements for successfully completing a probationary period in another Iowa school district if, at the teacher's most recent performance evaluation, the teacher received at least a satisfactory or better evaluation and the individual has not engaged in conduct which would disqualify the teacher for a continuing contract.

During this probationary period the board may terminate the licensed employee's contract at year-end or discharge the employee in concert with corresponding board policies.

Licensed employees may also serve a probationary period based upon their performance. Such probationary period is determined on a case-by-case basis in light of the circumstances surrounding the employee's performance as documented in the employee's evaluations and personnel file.
