

405.6 WAGE AND OVERTIME COMPENSATION

Each non-exempt employee compensated on an hour-by-hour basis, whether full-or part-time, permanent or temporary, will be paid no less than the prevailing minimum wage. Whenever a non-exempt employee must work more than forty hours in a given work week, the employee is compensated at one and one-half times their regular hourly wage rate. This compensation is in the form of overtime pay or compensatory time. Overtime will not be permitted without prior authorization of the superintendent.

Each non-exempt employee paid on an hour-by-hour basis must complete, sign, and turn in a daily time record showing the actual number of hours worked. Failure of the employee to maintain, or falsification of, a daily time record will be grounds for disciplinary action.

It is the responsibility of the board secretary or designee to maintain wage records.
