

MUSCATINE COMMUNITY SCHOOL DISTRICT BOARD POLICY

503.2 STUDENT HANDBOOKS

Administrative rules and regulations enacted to implement Board policies on student affairs and educational programs shall be contained in a student handbook. The rules and regulations shall note the code number of the Board policy from which they derive their authority. The text of the student handbook shall be included as an exhibit to the Board policy manual.

It shall be the responsibility of the superintendent, and administrators selected by the superintendent, to prepare and enact the administrative rules and regulations of the student handbook in conformance with Board policy.
