

506.12 STUDENT PROGRESS REPORTS AND CONFERENCES

Students shall receive a progress report at the end of each grading period. Reports are also available electronically. Students who are not showing adequate progress, and their parents, shall be notified prior to the end of the semester in order to have an opportunity to improve their grade. The Board encourages the notification of students who have made significant improvements prior to the end of the semester.

Parent-teacher conferences will be held in the fall and spring of each year.

Parents, teachers, or the principal may request a conference for students in grades kindergarten through twelve in addition to the scheduled conference time. Parents and students are encouraged to discuss the student's progress or other matters with the student's teacher.
