

506.4 COMMENCEMENT

Students who have successfully completed the requirements for graduation from high school shall be allowed to participate in the commencement proceedings.

Students meeting graduation requirements but are involved in a major disciplinary infraction may not be allowed to participate in the graduation ceremony. The administration reserves the right to make this determination.

Failure of a student to participate in commencement will not be a reason for withholding the student's final progress report or diploma certifying the student's completion of high school.
