

600.3 SCHOOL HOURS

The student school day for grades kindergarten through twelve will consist of a minimum of six hours, not including the lunch period. The school day consists of the schedule of class instruction and class activities as established and sponsored by the school district. Time during which students are released from school for parent/teacher conferences may be counted as part of students' instructional time. The minimum school day will meet the requirements as established for the operation of accredited schools.

The school district may also record a day of school with less than the minimum instructional hours if the total hours of instructional time for grades one through twelve in any five consecutive school days equals a minimum of thirty hours, even though any one day of school is less than the minimum instructional hours because of a staff development opportunity provided for the instructional staff or parent-teacher conferences have been scheduled beyond the regular school day. If the total hours of instructional time for the first four consecutive days equal at least thirty hours because parent-teacher conferences have been scheduled beyond the regular school day, the school district may record zero hours of instructional time on the fifth consecutive school day as a school day. Schedule revisions and changes in time allotments will be made by the superintendent.
