

# MUSCATINE COMMUNITY SCHOOL DISTRICT BOARD POLICY

## **601.13 CO-CURRICULAR ACTIVITIES**

The Board of Directors believes that a dynamic program of student activities is vital to the complete development of the student. Such activities offer opportunities to serve the institution, to assist in the development of fellowship and social goodwill, to promote self realization and all-around growth, and to encourage good citizenship qualities.

To assist in the administration of a student activities program, and to provide a framework of communication and review, the administration will develop a detailed structure of the activities program and compile it in an operating procedures manual.

The Board approves and endorses the IHSAA sportsmanship programs.
