

# MUSCATINE COMMUNITY SCHOOL DISTRICT BOARD POLICY

## **601.7 FOREIGN STUDY**

The Board of Directors recognizes the value of student and staff participation in study programs outside the country. Trips outside the United States must have the recommendations of the administration and the approval of the Board of Directors.

Students who wish to take courses outside of the United States for credit towards graduation from the Muscatine High School must first obtain approval from the superintendent or his/her designee.

Proper insurance and liability protection must be guaranteed for the protection and safety of participants. Students, district personnel, or other individuals who travel with the students shall have personal insurance including liability protection. The district assumes no liability for the participants.

There should be no monetary profit motive for any school employee. Bookkeeping shall be available for public view.
